ome for the removal of Worms, such as Lozenges, Vermitages, &c., but has performed most astonishing cures, and saved the fives of thousands, both old and young, who have been pronounced hopeless, incurable by Physicians. Read the following and become satisfied of its efficacy over all others:

Mr. N. Hornss-ck:—This is to certify that my child, 15 years of age, having been sick for 5 years, was attended by Drs. Loper, Willis and Risler, for a long time without receiving any benefit when after giving her up as incurable, we went to Philadelphia and consulted one of the best Physician, her disease still growing worse. It was at this time I was induced to try Hobensack's Worm Syrup; and after taking two bottles she entirely regained her health. Hoping that this will prove a benefit to parents whose children are similarly affected.
